§ 138f. Fees

(a) In general

At the time that an application for accreditation is received by the Secretary and annually thereafter, a laboratory seeking accreditation by the Secretary under the authority of this chapter, the Federal Meat Inspection Act (21 U.S.C. 601 et seq.), or the Poultry Products Inspection Act (21 U.S.C. 451 et seq.) shall pay to the Secretary a nonrefundable accreditation fee. All fees collected by the Secretary shall be credited to the account from which the expenses of the laboratory accreditation program are paid and, subject to subsection (e) of this section, shall be available immediately and remain available until expended to pay the expenses of the laboratory accreditation program.

(b) Amount of fee

The fee required under this section shall be established by the Secretary in an amount that will offset the cost of the laboratory accreditation programs administered by the Secretary under the statutory authorities set forth in subsection (a) of this section.

(c) Reimbursement of expenses

Each laboratory that is accredited under a statutory authority set forth in subsection (a) of this section or that has applied for accreditation under such authority shall reimburse the Secretary for reasonable travel and other expenses necessary to perform onsite inspections of the laboratory.

(d) Adjustment of fees

The Secretary may, on an annual basis, adjust the fees imposed under this section as necessary to support the full costs of the laboratory accreditation programs carried out under the statutory authorities set forth in subsection (a) of this section.

(e) Appropriations prerequisite

No fees collected under this section may be used to offset the cost of laboratory accreditation without appropriations made under subsection (f) of this section.

(f) Authorization of appropriations

There are authorized to be appropriated each fiscal year such sums as may be necessary for laboratory accreditation services under this section.

§ 147a. Control and eradication of plant pests

(a) Authority of Secretary of Agriculture

The Secretary of Agriculture, either independently or in cooperation with States or political subdivisions thereof, farmers' associations and similar organizations, and individuals, is authorized to carry out operations or measures to detect, eradicate, suppress, control, or to prevent or retard the spread of plant pests.

(b) Intergovernmental cooperation

The Secretary of Agriculture is further authorized to cooperate with the governments of foreign countries, or the local authorities thereof, and with foreign or international organizations or associations, in carrying out necessary surveys and control operations in those countries in connection with the detection, eradication, suppression, control, and prevention or retardation of the spread of plant pests.

(c) Cooperating foreign agency

In performing the operations or measures herein authorized, the cooperating foreign country, State, or local agency shall be responsible for the authority necessary to carry out the operations or measures on all lands and properties within the foreign country or State other than those owned or controlled by the Federal Government and for such other facilities and means as in the discretion of the Secretary of Agriculture are necessary.

(d) Definitions

As used in this section—

(1) "plant pest" means any living stage of any insects, mites, nematodes, slugs, snails, protozoa, or other invertebrate animals, bacteria, fungi, other parasitic plants or reproductive parts thereof, viruses, or any organisms similar to or allied with any of the foregoing, or any infectious substances, which can directly or indirectly injure or cause disease or damage in any plants or parts thereof, or any processed, manufactured, or other products of plants;

(2) "living stage" includes the egg, pupal, and larval stages as well as any other living stage; and

(3) "State" includes the District of Columbia and the territories and possessions of the United States.

(e) Rules and regulations

The Secretary of Agriculture is authorized to promulgate such rules and regulations and use such means as he may deem necessary to provide for the inspection of plants and plant products offered for export or transiting the United States and to certify to shippers and interested
